Zoom Demo / Sketch & Paint Along Class Included

A Zoom sketching and watercolor demo / paint along is included with this this plein air class. There will be two offerings - choose which time will work best and email me your choice:

Saturday, April 16 at 1:30 pm EST **or** Tuesday, April 19th at 1:30 pm EST

The demo / sketch & paint along will last 60 to 90 minutes ~ I want to make sure students have a good understanding of how to sketch various wading birds. Adding color is icing on the cake.

If you are new to Zoom, please be sure to download zoom on your desktop, laptop or tablet prior to class. Become familiar with how to unmute yourself and enter with video. I will have everyone muted to begin with. Zoom controls are in different places depending on what device you are using. [Click here for Zoom instructions](#). I found them very helpful :) **You will receive an email with an invitation to join the zoom class the day before it's scheduled.**
